

Daniel's Journey

Lesson 2: "Daniel's Confession"

Confession

Forgiveness

Ask yourself the question in each egg and then write the answer in the space below it.

Did Daniel confess his theft, ask forgiveness, and make restitution?

Do I need to confess my sin to God?

Do I need to ask God and people for forgiveness?

Will God forgive me?

Does God really forgive every sin?

Does God want me to forgive others?

Is it hard to forgive the person that has wronged me?

Can I truly forgive someone, with God's help?

Should I try to make amends when I do wrong?

A reliable Bible translation in every language...
