*The dates listed are estimated. Climatic, economic, social, and political factors can affect a project's completion. Therefore, these dates are subject to change up to 18 months. Completion dates also affect total funding needed. Dates are not given for those projects that are in the beginning or middle of the translation process because it is too soon to accurately determine when we will complete those translations.

**Our average cost for a project is \$250,000.
