Bible Day

**“Expect
great things
from God;
attempt
great things
for God.”**

William Cary

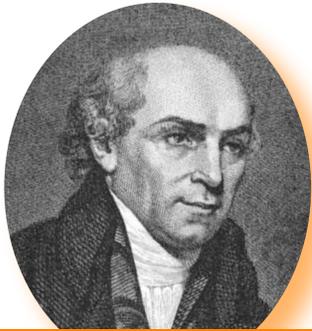

Born in 1776, Englishman William Cary would travel a great distance in his lifetime in order to share the truth of God's Word with those who had never heard it. While young, Cary apprenticed in a cobbler's shop in England. While he was working there he was converted from the Anglican religion. He enthusiastically took up the faith and began studying Greek grammar. Eventually he began studying Hebrew and Latin as well. He then aligned himself with the Particular Baptists, becoming a minister with that group.

GOD'S WORD STILL CHANGES LIVES

Even as William Carey spent much of his life translating Scriptures for peoples in India, men and women are doing the same today. As the Bible is translated into the mother tongue of people there and they read and comprehend it, it is still changing lives. Without God's Word in their heart language, people may come to know the Lord, but they struggle to grow without reading it in a language that is easily understandable to them.

As a young man attending a meeting of Baptist ministers, Carey stood to press the need of overseas missions. An older minister responded, "Young man, sit down! You are an enthusiast. When God pleases to convert the heathen, He'll do it without consulting you or me."

Carey often spoke against Christians who appeared to have no concern for those lost without Christ. He found it difficult to understand how some were unconcerned about fulfilling the Great Commission. In 1792, he was one of the founders of a mission organization. Carey famously declared, "Expect great things from God; attempt great things for God." He went on to do exactly that.

Within a year, Carey, his wife and young children were joined by John Thomas on a ship bound for India. Although the Carey family's early days in India were miserable due to Carey's having grossly miscalculated the cost of living there, William quickly began studying Bengali, while preaching to small groups of people. Within a short time, William contracted malaria, his five-year-old, Peter, died of dysentery, and his wife became mentally ill. Carey spoke of this time as being "in the valley of the shadow of death."

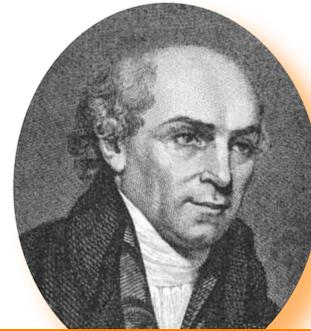

He soon joined a group of Danish missionaries, greatly enhancing his manner of living. Seven years after his arrival, he baptized his first convert, and two months later, he published his first Bengali New Testament. Over the next 28 years, Carey and his helpers translated the entire Bible into many of India's major languages: Bengali, Oriya, Marathi, Hindi, Assamese, and Sanskrit. In addition, he translated parts of the Bible into 209 other languages and dialects. Truly this was a man who expected great things from God, and attempted great things for Him.
